

Secrets in the Soil

Lunch and Learn

Learn how good soil health can: increase yields, reduce fertilizer needs, prevents erosion, and saves money.

Tuesday, March 14, 2017
10:30 a.m. - 3:00 p.m.

Thurlow Community Centre
516 Harmony Rd, Corbyville

Please RSVP by March 8, as we need numbers for lunch.

Sarah Midlane-Jones
Bay of Quinte Remedial Action Plan
613-394-3915 ext 214
